REALTRACS, INC.

RULES & REGULATIONS

Last Revised: April 22, 2022

SECTION 1: DEFINITIONS

As used in these Rules & Regulations, the following terms shall have the indicated meaning:

1.1 Association. The local REALTOR® association where Participant maintains her/his primary membership.

1.2 Binding Sales Contract. A Binding Sales Contract is defined herein as a written offer to purchase that has been executed by the prospective buyer(s) and seller(s) in accordance with state law.

1.3 Board of Directors. The group of individuals elected to govern Realtracs, Inc. in accordance with the Realtracs, Inc.'s Bylaws and governing documents.

1.4 Exclusive Agency Agreement. A contractual agreement under which the listing broker becomes the agent of the seller(s), and the seller(s) agrees to pay a commission to the listing broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the seller(s), the seller(s) is not obligated to pay a commission to the listing broker.

1.5 Exclusive Right to Sell. A contractual agreement under which the listing broker becomes the agent of the seller(s), and the seller(s) agrees to pay a commission to the listing broker, regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else; and a contractual agreement under which the listing broker becomes the agent of the seller(s), and the seller(s) agrees to pay a commission to the listing broker regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else, except that the seller(s) may name one or more individuals or entities as exemptions in the listing agreement and if the property is sold to any exempted individual or entity, the seller(s) is not obligated to pay a commission to the listing broker.

1.6 Listing Content. All data and information that any Participant or User submits, contributes, or provides to Realtracs, Inc., including, but not limited to, text, photographs, images, the Primary Image, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other materials, details or information related to each property in the MLS Compilation, in any form now known or hereafter discovered.

1.7 MLS. The Multiple Listing Service that is provided by Realtracs, Inc. to Participants and Users.

1.8 MLS Compilation. All data available to the Participants, including Listing Content, on the Realtracs, Inc. System, and all other text, binary, and photographic image data, in any form now known or hereafter discovered.

1.9 Multiple Listing Service. A means by which authorized Participants make blanket unilateral offers of compensation to other Participants (acting either as subagents, buyer agents, or in other agency or non-agency capacities defined by law); by which cooperation among Participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as procuring cause of the sale (or lease).

1.10 New Construction. A property is considered "New Construction" if, at a minimum, foundation work has begun.

1.11 Open Listing. A contractual agreement under which the listing broker becomes the agent of the seller(s), and the seller(s) agrees to pay a commission to the listing broker only if the property is sold through the efforts of the listing broker. Realtracs, Inc. does not accept open listings.

1.12 Participant. The REALTOR® principal of any firm, partnership, corporation, or the branch office manager designated by said firm, partnership, or corporation shall be termed the "Participant" in Realtracs, Inc. and shall have all rights, benefits, and privileges of Realtracs, Inc., and shall accept all obligations to Realtracs, Inc. for the Participant's firm, partnership, or corporation, and for compliance with the Realtracs, Inc. Bylaws and the Rules and Regulations of Realtracs, Inc. by all persons affiliated with the Participant who utilize the MLS. Each Participant shall meet the Participation requirements as defined in Section 1.13.

1.13 Participation. Participation in the MLS is available to the firm, partnership, or corporation of any REALTOR® principal of any Board/Association of REALTORS® without further qualification except payment of required dues and fees and agreement to abide by the Bylaws and the Rules and Regulations of Realtracs, Inc. However, under no circumstances is any individual or firm, regardless of membership status, entitled to MLS "membership" or "participation" unless they hold a current and valid real estate broker's license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by Realtracs, Inc. is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed by or published by Realtracs, Inc. where access to such information is prohibited by law.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law.

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants.

1.14 Primary Image. An image of the property that is the subject of the listing record.

1.15 Public Marketing. Marketing a listing through flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), general showings, broker and public open houses, digital marketing such as email campaigns and social media applications, and other similar marketing and advertising activities.

1.16 Realtracs, Inc. Service Area and Mandatory Listing Area:

Service Area: The service area of Realtracs, Inc. consists of the listed counties in Exhibit C with the "Service Area" designation.

Mandatory Listing Area: The mandatory listing area of Realtracs, Inc. consists of the listed counties in Exhibit C with the "Mandatory Listing Area" designation.

1.17 Realtracs System. The electronic information system that Realtracs, Inc., or its third-party provider(s), maintains to make access to the Listing Content and MLS Compilation available to Participants and Users in accordance with these Rules and Regulations.

1.18 Saved Information. Information that a User stores in the Realtracs System for their own later use that is not intended by them to be available to other Users, including client prospect and contact information.

1.19 Showing. Seller(s) or listing brokers facilitating access to a listing by other agents, brokers or potential buyers/tenants for the purpose of viewing a listing as a potential purchase or lease.

1.20 Short Sale. A transaction where title transfers; where the sale price is insufficient to pay all Third Party Creditors and the costs of sale; and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies.

1.21 Statuses.

| Incomplete | An exclusive listing agreement has been executed with an effective date. The Incomplete status may be used for other listing management purposes, but for the sake of these Rules and Regulations, Incomplete shall have the meaning set forth above. |
| Coming Soon/Hold | An exclusive listing agreement has been executed, but the seller(s) instructs, in writing, that the listing cannot be shown for a specific period of time. The Coming Soon/Hold status may be designated when a new listing is submitted to the MLS and/or during the term of the listing agreement. When a property is listed as Coming Soon/Hold, all showings are prohibited, including showings by listing agent or agents from listing agent's firm. Public Marketing other than showings is permitted while a listing is in this status. |

| Cancelled | An exclusive listing agreement has been mutually terminated, in writing by the Participant and seller(s), prior to the expiration of the exclusive listing agreement. |

1.23 To Be Built. Properties designated "To Be Built" are required to have an intended house plan or elevation planned for construction.

1.24 User. Any individual affiliated with a Participant, including employees, contractors, assistants, salespeople or licensees who list, show, sell, appraise real property (whether licensed or unlicensed as real estate agents or appraisers), or any other authorized person who utilizes the MLS on a regular basis and is entitled to such access. Any non-principal broker, sales associate, and licensed and certified appraisers affiliated with a Participant and are subject to fee waiver under the Realtracs, Inc.'s policies are not Users.

SECTION 2: LISTING PROCEDURES

2.1 Listing Procedures. Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the Realtracs, Inc. Mandatory Listing Area, and are taken by Participants on an exclusive listing agreement, shall be filed with Realtracs, Inc. within forty-eight (48) hours after all necessary signatures of seller(s)/landlord(s) have been obtained:

- a) residential
- b) multi-family
- c) land, lots and farms

Each listing must, at a minimum, be entered with an Incomplete status and include the address and listing agreement execution date within the forty-eight (48) hour timeframe.

2.2 Clear Cooperation. Within one (1) business day of any Public Marketing, a listing must be made available for cooperation with other MLS Participants by designating the listing status as Coming Soon/Hold or Active.

- a) Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 2.1 and listings exempt from distribution under Section 2.9, and any other situation where the listing Participant is Publicly Marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.
- b) Showings are considered Public Marketing and, once a listing is shown, it must be submitted in accordance with this Section 2.2 and may not be entered with a status of Coming Soon/Hold. The exception to this rule is when an Exempt Listing is shown, on a one-to-one basis, to prospective buyers in a manner that protects the Seller's privacy concerns.
- c) New Construction developments with multiple properties where a Participant has a blanket listing agreement with the seller are not subject to Section 2.2.

2.3 Listings Subject to the Rules and Regulations. Any listing taken on a contract to be filed with Realtracs, Inc. is subject to these Rules and Regulations upon signature of the seller(s). Participants must submit 100% of their exclusive listings, unless specifically exempted by these Rules and Regulations or not accepted by the MLS. In the event that the listing of a Participant has as its listing agent, or salesperson, a licensee who is subject to a fee waiver under Section 6.5, then that listing shall be ineligible for submission to the MLS.

2.4 Accepted Listings. Realtracs, Inc. shall accept Exclusive Right to Sell listing contracts and Exclusive Agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of Realtracs, Inc. acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law. Realtracs, Inc. does not accept: net listings, Open Listings, or listings for mobile homes without lots.

- a) Participant shall ensure that any listing contract submitted to Realtracs, Inc. contains one of the following, or substantially similar, notice signed by the seller(s)/landlord(s):

"Seller(s) understands that the property information will be included in the Realtracs, Inc. multiple listing service and (name of listing broker) is subject to the Rules & Regulations of Realtracs, Inc. Seller represents that the information is correct to the best of the seller(s) knowledge."
- b) All exclusive listing agreements shall contain a listing date, a definite and final expiration date, and a full gross listing price.
- c) Participants shall verify in the proper manner any Listing Content submitted to Realtracs, Inc. and maintain copies of any listing contract submitted to Realtracs, Inc.

2.5 Detail on Listings Filed with the MLS. Any listing when filed with Realtracs, Inc. must include all required information.

- a) Realtracs, Inc. reserves the right to reject or remove any listing submitted in a manner not in accordance with the Rules & Regulations.
- b) All listings must be entered in their proper geographic area designated for that purpose.
- c) When applicable, properties must be designated OWNER/AGENT as the listing type.
- d) The directions must have a known starting point (e.g. town center, intersection or familiar landmark) and accurate directions to the listed property.
- e) New Construction must have an estimated completion date.
- f) Exclusive right to sell listings with named prospects exempted will be distinguished by "ER*", and exclusive agency listings with named prospects exempted will be distinguished by "EA*".
- g) Contact information (e.g. phone numbers, co-listing agent names, seller names and numbers, websites, e-mail addresses and other forms of advertising) is permitted only in the Private Remarks field.
- h) The Public Remarks field is intended to include a written description of the property and any special features of the property. The Private Remarks field is intended to include information the Participant wishes to convey to the other Participants, such as special offers and showing instructions.
- i) All listings in all property types are required to have, at a minimum, a Primary Image when entered in the Realtracs System. Listings submitted with an Incomplete status are not required to have any digital images. Listings submitted "For Comp Purposes Only" are required to have a Primary Image.

2.6 Property Categories. In most cases, the property category (residential, multi-family, land/lots/farms) for a listing is obvious. In all cases, the property category for a listing shall not be inconsistent with the tax record, unless the inconsistency is disclosed in the Public Remarks. In no case shall the property category selected for a given listing be misleading to potential buyers and other Participants. Realtracs, Inc. reserves the right to remove a listing from the system if it is determined that the selected property category is misleading or inaccurate.

- a) To Be Built listings are required to have an intended house plan or elevation planned for construction. Otherwise, tracts of land must be listed in the residential lot, unimproved tract, or unrestricted tract categories. To Be Built properties may NOT be listed in two property categories.

2.7 Cross-Category Listings. Farms with houses may be entered in both the land/lots/farms and residential property categories in the MLS system. In rare instances, a multi-family property may be entered in both multi-family and residential as long as the provisions of Section 2.6 are followed. Once closed, however, only one listing should be modified as closed, and the other is to be cancelled from the system.

2.8 Listing Media Requirements. The primary purpose of photographs, sketches, diagrams, and other media submitted to Realtracs, Inc. is to convey a visual representation of the property listed to other Participants and their clients and customers. The primary subject matter, therefore, must be the listed property.

- a) Submitting images for company or agent advertising is prohibited. "For sale" signs incidental to the listing are acceptable.
- b) Digitally altering images to include overlays of other images, text, photos or logos is prohibited.
- c) Digitally altering images that change the accuracy of the actual listing's depiction or representation is prohibited. The use of "virtually staged photos" is permitted so long as the images are not deceptive to potential buyers.
 - 1. A "virtually staged photo" means an image that has been altered with editing software to create a conceptual rendering of what a room and/or the property might look like if it were physically staged or lived in.
 - 2. All virtually staged images must be designated as such in the media remarks.

3. Except for To-Be-Built and Under Construction listings, an image of the existing room or property in its current state must be included immediately before or immediately after the virtually staged image. In other words, “before” and “after” images must be included and disclosed.
 4. Virtually staged photos may include personal property items not conveyed with the real property. Examples include, but are not limited to:
 - Applying digital photos edits of furniture, mirrors, artwork, rugs, plants, etc., into a photo of an empty room.
 - Removing an existing non-fixed home element or furnishing from an image and replacing it with a digital representation of one similar. Examples: furniture, mirrors, artwork, rugs, plants, etc.
 5. Virtually staged photos may include landscaping improvements that could realistically be made to improve the property’s exterior appearance.
 6. Virtually staged photos may not include deceptive elements including, but not limited to the following:
 - Furniture or personal property that will not fit within a room’s dimensions.
 - Views from the property that do not exist, such as lakes, rivers, fields, skylines and landmarks.
 - Fixed features that do not exist, such as a fireplace or property addition.
 7. Virtually staged images cannot remove elements outside the property owner’s control, such as buildings on adjacent properties, power lines, utility poles, water towers, retaining walls and highways.
- d) “To Be Built” listings will be designated with a default image indicating construction has not begun on the property. Additional media may include floor plans, elevation sketches and photos of properties similar to the “To Be Built” listing.
- e) Realtracs, Inc. staff may remove photographs, sketches, diagrams or other media that do not adhere to these Rules and Regulations.

2.9 Exempt Listings. If the seller refuses to permit the listing to be disseminated by Realtracs, Inc., the listing Participant may take the listing, and such listing will be filed with Realtracs, Inc. within forty-eight (48) hours with a status of Incomplete. The exempt listing shall not be disseminated through Realtracs, Inc. to the Participants. However, the restriction by the seller(s) against disseminating the listing via Realtracs, Inc. must be (i) substantiated in writing, (ii) signed by the seller(s), and (iii) acknowledge that exempt listings may not be publicly marketed. Realtracs, Inc. provides the “Sellers Waiver of Cooperation via MLS and Marketing” form for Participants’ use. The seller-authorized restriction must be included with the Incomplete listing as an attached document. This seller-authorized restriction, together with the exclusive listing agreement, shall also be maintained in the brokerage office records for the listing. If the exempt listing is Publicly Marketed, then MLS Participants must modify the exempt listing within one (1) business day of the Public Marketing in accordance with Section 2.2, Clear Cooperation. A Participant’s use of exempt listings to circumvent cooperation with other Participants is prohibited.

2.10 Coming Soon/Hold; New Construction

- a) When a property is submitted as Coming Soon/Hold, (i) all showings are prohibited, including showings by listing agent or agents from listing agent’s firm; (ii) Public Marketing (except for showings) is permitted. A listing entered as Coming Soon/Hold may not be changed to Active or Under Contract-Showing status and changed back to Coming Soon/Hold within a five day period.
- b) All New Construction must be entered into MLS as Active, Coming Soon/Hold, or Under Contract designated as a “presale” prior to the completion of the framing stage of construction. A rendering or photograph of a model home may be used until the facade is complete.

2.11 Status Changes. Any change to the original exclusive listing agreement or the property information that changes the offer of compensation or Listing Content conveyed through Realtracs, Inc. shall be reported to

Realtracs, Inc. Changes to the original exclusive listing agreement require the signature of the seller(s) and broker. Other changes require the broker's signature.

- a) After authorized changes are received by the listing broker, they must be reported or input within forty-eight (48) hours of the change condition, with the exception of closed which must be reported or input within seventy-two (72) hours.
- b) A status change must be made within 48 hours of the execution of a Binding Sales Contract. The status can be changed to:
 - i. Under Contract-Not Showing: when a Binding Sales Contract has been executed and the property is no longer being shown; or
 - ii. Under Contract-Showing: when a Binding Sales Contract has been executed but the property is being shown for a back-up contract, due to a kick-out clause or other contingency.
- c) The listing status may be changed to Coming Soon/Hold during the term of the listing agreement, upon written request by the seller(s). When a property is listed as Coming Soon/Hold, all showings are prohibited, but Public Marketing (except for showings) is permitted.
- d) For bank-owned property (REO) only, once an offer to purchase has been submitted and the parties are waiting for completion of the bank addendum, the listing status must be changed to 1) Under-Contract – Not Showing or 2) Under Contract-Showing with “awaiting bank addendum” as the contingency type - which means the property is still being shown for back-up contracts.
- e) For automated systems for accepting offers to purchase (e.g. HUD Homes and REO systems), the following status changes must be made when the property is no longer listed on the website or other automated system. If the listing broker is no longer accepting offers to purchase, the listing status must be changed to Under Contract-Not Showing or Cancelled. If the listing broker is accepting offers to purchase for backup contracts, the status may be changed to Under Contract-Showing.

2.12 Contingencies Applicable to Listings. Any contingency, exclusion, or special condition in the listing shall be noted in the listing information disseminated to the Participants.

2.13 Listing Multiple Unit Properties. All properties that are to be sold separately should be listed separately and entered into the computer system separately. Properties for which a Participant has one listing agreement but which “may” be sold in parts should be entered once in the computer system and specify the options available in the Public Remarks field.

When a portion of a listed property has been sold, the Listing Content should be modified to accurately reflect the remaining property for sale. The sold portion should be entered separately as closed for comparable purposes.

2.14 One Exclusive Listing Accepted. Participants shall not knowingly obligate sellers/landlords to pay more than one commission except with their informed consent. Consequently, Realtracs, Inc. will only accept one exclusive listing for a particular property at a time.

If two or more listings are submitted to Realtracs, Inc. for a particular property within a twenty-four (24) hour time frame, both or all will be rejected and the Participants notified of their removal from the system. It will be the responsibility of the Participants to determine, among themselves, which firm is the exclusive agent.

If a second listing is submitted to Realtracs, Inc. for a particular property already in the system, the second listing will be rejected and the Participant notified of its removal from the system. Upon submitting proof to Realtracs, Inc. that the seller has acknowledged the potential existence of a current, exclusive listing agreement with another Participant and their potential obligation to pay two commissions on the sale of the property, the second listing may be resubmitted to Realtracs, Inc.

2.15 Expiration of Listings. Any listing filed with Realtracs, Inc. automatically expires on the date specified in the listing agreement unless renewed or extended by the listing broker. If notice of renewal or extension is dated after the expiration date of the original listing, a new listing agreement must be secured for the listing to be filed with the

MLS. It shall be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and listing broker.

2.16 Cancellation of Listing Prior to Expiration. Listings of property may be cancelled with Realtracs, Inc. by the listing broker before the expiration date of the listing agreement, provided that the cancellation is authorized in writing by an agreement between the seller and listing broker.

Sellers do not have the unilateral right to require Realtracs, Inc. to cancel a listing without the listing broker's concurrence. However, when a seller(s) can document that his or her exclusive relationship with the listing broker has been terminated, Realtracs, Inc. may remove the listing at the request of the seller.

2.17 Removal of Listing Content. Removal of any Listing Content from a listing in the Realtracs System with a Closed, Expired, or Cancelled status by Participant or any User is prohibited, except as described in this section. The Primary Image for a listing is prohibited from removal; additional images associated with a listing record may be removed. Realtracs, Inc. reserves the right to remove Listing Content in its sole discretion. Participant may submit a written request to Realtracs, Inc. to remove certain Listing Content and such request must include the reason for the request and applicable supporting documentation.

2.18 Listings of Suspended or Expelled Participants. When a Participant is suspended or expelled from Realtracs, Inc. for failing to abide by a membership duty (i.e. violation of the Code of Ethics, Association Bylaws, the Bylaws and Rules and Regulations of Realtracs, Inc., or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with Realtracs, Inc. by the suspended or expelled Participant shall, at the Participant's option, be retained in Realtracs, Inc. until sold, cancelled, or expired, and will not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension or expulsion became effective.

If a Participant has been suspended or expelled from a participating Association or Realtracs, Inc. for failure to pay dues, fees, or charges, the Realtracs, Inc. will terminate services to the Participant, including continued inclusion of the suspended or expelled Participant's listings in the MLS Compilation of Listing Content with the Statuses of Active, Coming Soon/Hold, Under Contract-Showing, or Under Contract-Not Showing. Prior to the removal of a suspended or expelled Participant's listings from Realtracs, Inc., the suspended or expelled Participant will be advised in writing of the intended removal so that the suspended or expelled Participant may advise his/her clients.

2.19 Listings of Resigned Participants. When a Participant resigns from Realtracs, Inc., Realtracs, Inc. will terminate services to the Participant, including continued inclusion of the resigned Participant's listings in the MLS Compilation of certain Listing Content. This paragraph shall serve as official notification that all Active, Coming Soon/Hold, Under Contract-Showing, or Under Contract-Not Showing listings of a resigned Participant shall be removed from the MLS Compilation.

2.20 Status Changes of Listings of Suspended or Expelled Participants. Notwithstanding the suspension or expulsion of the Participant, corrections or additions to the Listing Content or changes in status shall be accepted during the term of the original listing agreement.

2.21 Service Area and Mandatory Listing Area. Only listings of the designated property types located within the Realtracs, Inc. Mandatory Listing Area are required to be submitted to Realtracs, Inc. Listings of property located outside the Realtracs, Inc. Mandatory Listing Area but within the Realtracs, Inc. Service Area will be accepted if submitted voluntarily by a Participant. Listings of property located outside the Realtracs, Inc. Service Area will be accepted if submitted voluntarily by a Participant, but are not required by Realtracs, Inc.

SECTION 3: SELLING PROCEDURES

3.1 Showings and Negotiations. Appointments for Showing and negotiations with the seller for the purchase of listed property filed with Realtracs, Inc. shall be conducted through the listing broker unless:

- a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or

- b) after reasonable effort, the cooperating broker cannot contact the listing broker or his/her representative. However, the listing broker, at his/her option, may preclude such direct negotiations by cooperating brokers.

3.2 Presentation of Offers. The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

3.3 Submission of Written Offers and Counter-offers. The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing Binding Sales Contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

3.4 Right of Cooperating Broker in Presentation of Offer. The cooperating broker (acting either as a subagent, buyer agent, or in other agency or non-agency capacity defined by law) or his/her representative has the right to participate in the presentation to the seller or lessor of any offer he/she secures to purchase or lease. He/she does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secures is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented.

3.5 Right of Listing Broker in Presentation of Counter-Offer. The listing broker or his/her representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He/she does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

3.6 Reporting Sales to the MLS. Once a Binding Sales Contract is executed the listing broker shall report it to Realtracs, Inc. within forty-eight (48) hours. If negotiations were carried on under Section 3.1(a) or 3.1(b) hereof, the cooperating broker shall report an accepted offer to the listing broker within twenty-four (24) hours after execution, and the listing broker shall report the accepted offer to Realtracs, Inc. within twenty-four (24) hours after receiving notice from the cooperating broker.

3.7 Advertising of Listings Filed with the MLS. A listing shall not be advertised by a Participant, other than the listing broker, without the prior consent of the listing broker.

3.8 Reporting Resolutions of Contingencies. The listing broker shall report to Realtracs, Inc. within forty-eight (48) hours that a contingency on file with Realtracs, Inc. has been fulfilled or renewed, or the agreement cancelled.

3.9 Reporting Cancellation of Binding Sales Contract. The listing broker shall report immediately to Realtracs, Inc. the cancellation of a Binding Sales Contract and the listing shall be reinstated immediately.

3.10 Refusal to Sell. If the seller of any listed property filed with Realtracs, Inc. refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the MLS and to all Participants.

3.11 Cooperation with Non-Member Brokers. All Participants are encouraged to cooperate fully with non-member brokers, subject to the restrictions of these Rules and Regulations.

3.12 Reporting Purchases of Unrepresented Sellers. Participants may report sales of properties not listed by a Participant (“Non-MLS”) for statistical and comparable purposes. Participants must enter all required information and comply with Realtracs, Inc.’s guidelines for submitting Non-MLS properties to the MLS.

3.13 Reporting Lease/Purchase Agreements. The listing broker shall report an executed lease/purchase agreement to Realtracs, Inc. within seventy-two (72) hours. A listing with an executed lease/purchase agreement must be “Cancelled.” When the subject property is closed, the listing should be re-entered and reported as "Closed" for comparable information. The Private Remarks must include “For comparable purposes only.”

SECTION 4: PROHIBITIONS

4.1 Information for Participants Only. Any listing filed with Realtracs, Inc. shall not be made available to any broker or firm who is not a member of Realtracs, Inc., without the prior consent of the listing broker. A Participant with licensees who are subject to a fee waiver under Section 6.5 may not make listings of other Participants in Realtracs, Inc. available to those licensees. The preceding sentence does not prohibit a licensee from accessing listing records from another MLS or from any other source lawfully available to the licensee.

4.2 Solicitation of Listing Filed with the MLS. Participants shall not solicit a listing on property filed with Realtracs, Inc. unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice, and its Case Interpretations. The prohibition in the previous sentence also applies to licensees affiliated with a Participant who are subject to a fee waiver under Section 6.5.

4.5 For Sale Signs. Only the "For Sale" sign of the listing broker may be placed on a property.

4.6 Sold Signs. Prior to closing, only the "Sold" sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign.

SECTION 5: COMMISSIONS AND COMPENSATION

5.1 No Control of Commission Rates or Fees Charged by Participants. Realtracs, Inc. shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, Realtracs, Inc. shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-participants.

5.2 Compensation Specified on Each Listing. The listing broker shall specify, on each listing filed with Realtracs, Inc., the compensation offered to other Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through Realtracs, Inc. would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

- a) The compensation on each listing filed with Realtracs, Inc. shall be shown as a percentage of the gross selling price or as a definite dollar amount.
- b) In filing a property with Realtracs, Inc., the Participant is making blanket unilateral offers of compensation to the other Realtracs, Inc. Participants, and shall therefore specify on each listing filed with the MLS, the compensation being offered to the other Participants. Specifying the compensation on each listing is

required, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.

- c) The listing broker retains the right to determine the amount of compensation offered to other Participants (acting either as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different.
- d) The total compensation negotiated between the seller and the listing broker shall not be disclosed in any way to or through Realtracs, Inc.
- e) Should a listing broker desire to offer any Participant compensation other than the compensation indicated on his/her listing published by Realtracs, Inc., the cooperating broker must be informed in writing prior to the submission of an offer to purchase, provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the MLS. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a definite dollar amount.
- f) Nothing in these Rules and Regulations precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.
- g) In the event that the gross commission established in the listing contract is subject to court approval or lender approval, and may be reduced by a court or by a lender, the fact that the gross commission is subject to court or to lender approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction.

5.3 Disclosing Potential Short Sales. Participants must disclose potential Short Sales, when reasonably known to the listing Participants, by changing the listing type to “Exclusive Right to Sell Short Sale” or “Exclusive Agency Short Sale.”

- a) When a Short Sale is disclosed, the listing Participant is communicating to other Participants the facts that the sale and gross commission are subject to approval by Third Party Creditors and that the gross commission may be reduced by Third Party Creditors as a condition of approving the sale.
- b) When a Short Sale is disclosed, the listing Participant may, at his or her discretion, decide to reduce the compensation being offered to cooperating brokers, because the reduction in the gross commission established in the listing agreement is beyond his or her control. If the listing Participant discloses how any reduction in the gross commission established in the listing agreement will be apportioned between listing and cooperating Participants, then the offer of compensation shall be based on the offer of compensation minus the apportionment disclosed. This disclosure may be entered in the Private Remarks field or by other written communication to cooperating Participants prior to the presentation of an offer to purchase.
- c) If a listing Participant does not disclose how a reduction in the gross commission will be apportioned between listing and cooperating Participants, the compensation offered in the compensation fields shall be the offer of compensation.
- d) When a listing Participant discloses how a reduction in the gross commission will be apportioned between listing and cooperating Participants, the listing Participant must also disclose to the cooperating Participant, in writing and within forty-eight (48) hours of receipt of notification from third-party creditors, the total reduction in the gross commission and the amount by which the compensation payable to the cooperating Participant will be reduced.
- e) Nothing in this section shall be interpreted to contravene a Participant’s right to file an arbitration, nor does this section preclude an arbitration hearing panel, based on the facts of the case, from awarding an amount different from the compensation offered through Realtracs, Inc.

5.4 Auctions. Participants may submit auction listings to Realtracs, Inc. with the following requirements:

- a) Prior to submitting an auction listing to Realtracs, Inc., Participants must be licensed to auction properties by the proper state regulatory agency and must provide his or her license information to Realtracs, Inc.
- b) When an auction listing is submitted to Realtracs, Inc., it must be denoted as an “auction”.
- c) Auction listings submitted to Realtracs, Inc. must
 - i. include real property;
 - ii. include an offer of compensation to cooperating brokers;
 - iii. be designated as an “absolute” or “reserve” auction; and
 - iv. include the following details in the Remarks:
 - a. Auction date and time.
 - b. Minimum bid for reserve auctions.
 - c. Preview dates and times.
 - d. Auction terms.
 - e. Buyer’s premium (fees charged by the auctioneer to the buyer) – denoted as a fixed dollar amount or a percentage of the sales price.

5.5 Participant as Principal. If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through Realtracs, Inc., the Participant shall disclose that interest when the listing is filed with Realtracs, Inc. and such information shall be disseminated to all Participants. (See Section 2.5)

5.6 Participant as Purchaser. If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

5.7 Dual or Variable Rate Commission Arrangements. The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of the seller/landlord) shall be disclosed by the listing broker by selecting “Yes” in the Dual Variable Commission field. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

5.8 No Compensation for Fee-Waived Selling Salesperson. The listing Participant’s obligation to compensate any cooperating Participant as the procuring cause of the sale (or lease) shall be excused if it is determined through arbitration that the licensee affiliated with the cooperating Participant was subject to fee waiver under Section 6.5 at any time between the offer to purchase and the closing of the sale.

SECTION 6: SERVICE CHARGES; REALTRACS, INC. SYSTEM

6.1 Initial Participation Fee. The initial application fee for a firm’s Participant in Realtracs, Inc. shall be determined by the Board of Directors. The Participants' fee shall be tendered to Realtracs, Inc. prior to accessing the Realtracs System. The application of a former Participant who has been expelled, cancelled or whose participation has been terminated for any reason whatsoever shall not be accepted unless accompanied by payment in full of all accounts due as of the date of termination.

6.2 Recurring Participation Fee. The Board of Directors shall establish fees to be paid periodically by all Participants and Users. The fees shall be payable in advance. Participating brokers are responsible for all fees incurred by his or her firm and Users affiliated with the firm, except that this fee shall be waived for licensees subject to a fee waiver under Section 6.5. In the event of termination or suspension of the Realtracs, Inc. service, Realtracs, Inc. will not refund or pro-rate fees.

6.3 Delinquent Accounts. A Participant whose account is delinquent shall automatically have all Realtracs, Inc. services suspended. All accounts suspended for non-payment will be charged a reactivation fee. A Participant may be reinstated by paying all outstanding fees (account balance due) within ninety (90) days after termination. After the ninety days, and in addition to paying all outstanding fees (account balance due), a new application fee is required.

6.4 Firm Participation is Nontransferable. Participants cannot transfer Realtracs, Inc. service or other privileges from one firm to another. Privileges may be transferred from one Participant to another within a firm, by making proper request in writing to Realtracs, Inc.

6.5 User Fee Waivers. Realtracs, Inc. provides Participants the option of a no-cost waiver of Realtracs, Inc.'s fees, dues, and charges for any licensee or licensed or certified appraiser in a participating office who can demonstrate subscription to a different, approved multiple listing service where the principal broker for the office also participates. Realtracs, Inc. requires Participants to certify that waiver recipients will not use any Realtracs, Inc.'s services and agree that any violation of the waiver will be subject to penalties and termination of the waiver.

Under Section 6.2, any per-User fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of Users in a participating office for purposes of any recurring per-User fees paid by a Participant under Section 6.2 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 6.5. For purposes of this Section 6.5 and all rule provisions referring to it, "licensee" refers to non-principal salespersons and licensed and certified appraisers. Section 6.5.1 sets out the conditions for fee waiver, Section 6.5.2 the process for obtaining and maintaining waivers, Section 6.5.3 circumstances under which waiver is revoked and consequences of revocation, and Section 6.5.4 the consequences of repeated violations of these policies.

6.5.1 Conditions for Waiver. Fee waivers are available for non-principal broker real estate licensees and non-principal appraiser licensees in offices participating in Realtracs, Inc., provided the Participant and any fee-waived licensee(s) meet all the following requirements:

- a. Any fee-waived licensee must maintain an active subscription in another multiple listing service that has adopted a policy, in this MLS's reasonable judgment, substantially similar to this Section 6.5 and that will certify this information to this MLS on the frequency established by Realtracs, Inc.
- b. Realtracs, Inc. reserves the sole right to determine if another organization qualifies as a multiple listing service as contemplated by this Section.
- c. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services of Realtracs, Inc.:
 1. Using Realtracs, Inc.'s systems, databases, lockboxes, etc. (A fee-waived licensee is not prohibited from using listing information of his or her Participant, so long as the information is not obtained through Realtracs, Inc.)
 2. Being identified as a listing agent on an Active, Coming Soon/Hold, Under Contract-Showing, or Under Contract-Not Showing listing in Realtracs, Inc.
 3. Working as the selling agent on a property listed in Realtracs, Inc. by a firm other than his or her Participant's, unless the listing appears in another multiple listing service to which the selling agent maintains an active subscription. This prohibition does not apply to the listings of the Participant with whom the fee-waived licensee is affiliated.
 4. Use of any data feed from Realtracs, Inc. (except a data feed that contains only the listings of the Participant with whom the fee-waived licensee is affiliated).

5. Using Listing Content on an IDX or VOW website identified as the fee-waived licensee's site or page.
6. Using Realtracs, Inc.'s data in an automated valuation product or tool in any product or service identified as coming from a fee-waived licensee.

6.5.2 Process for Obtaining and Maintaining Waivers. The Participant must at all times provide to Realtracs, Inc. up-to-date information on all licensees, whether they are Users or fee-waived licensees, in each participating office in accordance with Section 6.6. The Participant must identify which licensees are subject to fee waivers and for each fee-waived licensee the other MLS in which he/she is a subscriber via the waiver certification process.

In order to obtain a waiver for any licensee in the Participant's office, the Participant must complete the Realtracs, Inc.'s waiver certification process. In order to maintain a waiver for any licensee, the Participant and licensee must continue to satisfy the requirements of Section 6.5.1 and must recertify the tenets in this Section with the frequency set by Realtracs, Inc.

6.5.3 Revocation of Waiver. The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

- a. The Participant or fee-waived licensee may revoke the waiver at any time upon notice to Realtracs, Inc. In that case, the fee-waived licensee immediately becomes a User and any fees due to Realtracs, Inc. under its normal fee schedule for the current period for the User (including pro-rata fees for any partial service period and any application fees if none have previously been paid for the User) shall immediately become due and payable. In the event a fee-waived licensee appears as a listing agent on an Active, Coming Soon/Hold, Under Contract-Showing, or Under Contract-Not Showing listing in Realtracs, Inc., the Participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (a).
- b. If Realtracs, Inc. determines that a fee-waived licensee has used any of the services of Realtracs, Inc. listed in Section 6.5.1(c) during a fee-waiver period, Realtracs, Inc. may terminate the fee waiver upon notice to the Participant and fee-waived licensee. In this case, the consequences of subsection (a) apply, and in addition to them, MLS may recover from the Participant or fee-waived licensee the fine described in Exhibit B. After six months, the Participant and fee-waived licensee can re-certify the individual to be a fee-waived licensee.

6.5.4 Consequences of Repeated Violations. A pattern of repeated violations of Section 6.5.1(c) exists when a Participant allows any combination of three or more violations of Section 6.5.1(c), whether the Participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a licensee commits three or more violations of Section 6.5.1(c). In the event that a Participant or licensee exhibits a pattern of repeated violations of Section 6.5.1(c), Realtracs, Inc. may suspend all fee waivers for the Participant or licensee (or both) for a period of up to three years. If, after such a period of suspension, a Participant or licensee again exhibits a pattern of repeated violations, Realtracs, Inc. may permanently terminate fee waivers for the Participant or licensee (or both). In the event a licensee subject to suspension or termination of waivers moves to a new office, that office shall be ineligible for waivers during the pendency of its Participant's suspension or termination. In the event a licensee subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of his or her suspension or termination.

6.6 Reporting Requirements. Participants are required to report all User changes to Realtracs, Inc. immediately, including but not limited to changes in licensee, appraiser, paid assistant, or paid office staff/secretary. Any licensee, appraiser, paid assistant, or paid office staff/secretary must have an individual User ID and must show on the office roster.

6.7 Personal assistants. Personal assistants must be approved by the Participant.

6.8 Roster Information. The Participant's office and affiliated licensee contact information (name, firm, address, and phone) displayed in the Realtracs System must be substantially similar to that recorded with state licensing and

regulatory agencies. Participant shall ensure Realtracs, Inc. has a current list of all Users; Participant shall inform Realtracs, Inc. in writing of any change in the Users within 24 hours of the change. Realtracs, Inc. staff may change incorrect office and roster information at any time and without notice.

6.9 Realtracs, Inc. System Use; Saved Information. The use of the electronic information system, input and retrieval of Listing Content shall be in accordance with these Rules and Regulations, operating procedures, and computer instructions published on the Input Form or in the Realtracs System help and tutorial pages. Saved Information may not always be available to Participant or User and may become available to unauthorized persons. Realtracs, Inc. is not liable for unauthorized access to or loss of Saved Information. Participant and User are responsible for retention of any information that may be necessary to reconstruct Saved Information if it is lost or destroyed.

6.10 System Security. Access to the electronic information system is limited to authorized Users. Each authorized User is given an individual User ID and password to gain access to the system. The password is to remain private at all times. User shall take the greater of reasonable care or the care it takes to protect its own confidential information. Participant shall ensure that its Users maintain the confidentiality of their User IDs and passwords and that no one but authorized Users obtains access to the Realtracs, Inc. service or any part of it, and Participant must not facilitate sharing of passwords among Users. Sharing an individual's login and password, using another user's login or password, in any way jeopardizing the security of the system, or granting unauthorized access to the system will result in a fine and/or other sanctions. This includes broker-employed office staff using any other than their own individual login and password.

6.11 Electronic Mail and Notification Systems. The email and notification services are the property of Realtracs, Inc. Realtracs, Inc. reserves the right to monitor its email and notification systems, regardless of by or to whom email and/or notifications are sent, received, or created and regardless of whether a personal login and password is used to send, receive, or create emails and/or notifications.

No message created or sent through Realtracs, Inc.'s email and notification systems shall be of an intimidating, hostile, harassing, or offensive nature.

Senders of unsolicited email and/or notifications must remove recipients who request to be removed from future messages. All unsolicited messages generated from and to MLS Users must contain a reply feature that automatically removes the recipient from future messages. Failure to honor a request from a recipient to be removed from future messages or failure to include a recipient removal feature will result in the sender being denied access to the Realtracs, Inc. email and/or notification services.

Example Recipient Removal Feature: "To be removed from future mailings, click [here](#) and type 'unsubscribe' in the subject line." OR "Text CANCEL to be removed from future messages."

Misuse of the email and/or notification services provided by Realtracs, Inc. can result in fines and cancelation of these services for the offending user and/or company.

By becoming and remaining a Participant or User in Realtracs, Inc., each Participant and User agree to be subject to these Rules and Regulations and any other Realtracs, Inc. governance provisions. Any subsequent finding of a violation of these Rules and Regulations during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline, which will not be held in abeyance.

7.3 Fines. Realtracs, Inc. may collect fines from Participant (or User, where appropriate) for violation of the Realtracs, Inc. Rules and Regulations. Realtracs, Inc. may amend its schedule of fines and terms for collecting them at its sole discretion at any time.

7.4 Suspension of access to Realtracs System. Rules and Regulations, or (iii) will help to protect the safety and security of the Realtracs System, Realtracs, Inc. members, or third parties. Realtracs, Inc. will use commercially reasonable efforts to promptly notify Participant and/or User of any suspension of access to the Realtracs System. In the event that the suspension is related to Participant's or User's failure to abide by the Realtracs, Inc. Rules and Regulations the suspension may, in Realtracs, Inc.'s sole discretion, remain in effect until a decision regarding the violation is rendered by the Board of Directors in accordance with the Realtracs, Inc. If after ten (10) days following transmittal of Realtracs, Inc.'s determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 9.4 MLS Rules Violations. MLS Participants may not take legal action against another Participant for alleged rules violation(s) unless the complaining Participant has first exhausted the remedies provided in these Rules and Regulations.

- c) Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of Listing Content pertaining exclusively to properties currently listed for sale with the Participant.
- d) Any Listing Content, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and their authorized Users who are authorized to have access to such Listing Content. Such Listing Content may not be transmitted, re-transmitted, or provided in any manner to any unauthorized individual, office, or firm.
